

LAFAYETTE COUNTY BOARD OF SUPERVISORS

August 3rd, 2026

5:00 PM

1. Call to Order
2. Approve Agenda
3. Approve minutes of regular meeting July 20th, 2026.
4. Accept jail meal log and affidavit from Jail Administrator per section 19-25-74.

AFFIDAVIT OF JOHNNY MCDONALD

STATE OF MISSISSIPPI

COUNTY OF LAFAYETTE

Before me personally appeared the undersigned, Johnny McDonald, who being known to me and first duly sworn, deposes and says as follows:

1. My name is Johnny McDonald. I am currently the Jail Administrator of the Lafayette County Detention Center. I was appointed to this position by Sheriff F.D. "Buddy" East on June 1, 2013.
2. As required by Miss. Code Ann. § 19-25-74, the Lafayette County Sheriff's Department maintains a log, showing the name of each prisoner, the date and time of incarceration and release, to be posted daily, which shall record the number of meals served to prisoners at each mealtime, and the hours of the day served (the "meal log").
3. I have reviewed invoice numbers 200ABS100002517 and 200ABS100003076 from Summit Foods in the amount of \$8,028.74 and \$7,790.65. These invoices are for the feeding of prisoners from 06/27/2026 to 07/10/2026.
4. To the best of my knowledge, I find this invoice to be a true and correct match to the meal log in accordance with Mississippi Code Annotated § 19-25-74.
5. The meal log is being stored in the County Administrator's office and can be reviewed at any time.

Dated: 07/15/2026

Johnny McDonald

Sworn and subscribed before me this the 15th day of July, 2026.

- b) Adopt resolution acknowledging the ninety-day delinquency list for solid waste accounts per section MS Code Section 19-5-22. (Kate Victor)

RESOLUTION

Upon Motion, Second, and by unanimous vote, a quorum being present, the following Resolution was adopted:

BE IT RESOLVED, pursuant to Senate Bill 2392 (2023), that amended, M.C.A., Section 19-5-22, the Lafayette County Board of Supervisors acknowledges the attached ninety (90) delinquency list ("Delinquency Notice") of its solid waste accounts, and shall provide a copy of this Resolution and attached Delinquency Notice to the Lafayette County Tax Collector no later than the tenth (10th) of this month, to be updated each succeeding month; further, that upon receipt of this Delinquency Notice, the County Tax Collector shall not issue nor renew a motor vehicle road and bridge privilege license for any motor vehicle owned by a person who is delinquent in the payment of their solid waste fees assessed and acknowledged by this Board.

Further, a copy of this Resolution and Delinquency Notice shall be transmitted to the Lafayette County Chancery Clerk, by electronic and other means as appropriate, to permit filing of any liens created by Section 19-5-22 pursuant to Section 1, (6) of the Statute.

STATE TAX CREDIT

INVESTING IN PRE-K

► THE STATE TAX CREDIT

Individuals or corporations who make a contribution to support the local matching fund of an approved early learning collaborative may be eligible to receive a state tax credit for the donated amount up to \$1,000,000. The Mississippi Department of Revenue can approve 1:1 tax credits up to the amount the legislature appropriates to the Early Learning Collaborative Act each year. For 2024, the legislature appropriated \$24 million; therefore, the sum of the donations eligible for the tax credit may not exceed \$24 million. If you make a donation after the cap has been reached, you will not be eligible to receive the tax credit.

Support the L.O.U.

Early Learning Collaborative

SECURING THE TAX CREDIT

To donate to a collaborative and receive the state tax credit, follow these steps:

- 1 Contact the Lead Partner for the collaborative to which you wish to donate. A list of all the approved early learning collaboratives is found below, along with contact information for the person responsible for collecting donations.
- 2 The Mississippi Department of Education tracks qualifying donations towards the cap. They will share this information with all the lead partners of the collaboratives. When contacting the lead partner, verify that the cap has not been reached.
- 3 After you make a donation, the Mississippi Department of Education will issue you a donation certificate documenting that you have contributed to the local matching funds of an approved collaborative.
- 4 Indicate your donation when you file your state taxes. Use form 80-401, which can be found on the Department of Revenue's website.

**Oxford Early Childhood Center
Lafayette Elementary School
Willie Price Lab School
Mary Cathey Head Start**

To make your donation, contact the L.O.U. Early Learning Collaborative Coordinator, Cara Buffington at cbbuffington@oxfordsd.org or 662.234.3541

- g) Approve and execute agreement with Jamie Russell, consultant for Appraisal Services Computer Data Entry. (Rocky Kennedy)

Dear Rocky Kennedy,

The Red Book (13th Edition) provides that the Center for Government and Community Development is to notify annually of the Track II certification status within the legislatively mandated Mississippi Education and Certification Program. Currently, in addition to being a certified appraiser, the following county employees hold the indicated advanced level of certification:

FirstName	LastName	AEIYear	AEIIYear	MAEYear	COEYear	CountyID
Rocky	Kennedy					Lafayette County
Collin	Mills	2014	2016	2017		Lafayette County
Emily	Morrison					Lafayette County

According to Section 27-3-52 of the Mississippi Code which was amended by the Legislature in 2019, they may now qualify for a \$2,000 annual financial bonus for AEI, qualify for a \$2,000 annual financial bonus for AEII or qualify for a \$2,500 annual financial bonus for the MAE designation. According to Section 25-3-3 of the *Mississippi Code* which was amended by the Legislature in 2020, they may also now qualify for a \$1,500 annual financial bonus if they hold the Certificate of Education (COE).

When any tax assessor and/or his deputies or assistants attend and successfully complete all qualifications pursuant to the Mississippi Education and Certification Program and receive the certification level of AEI, AEII, MAE or COE, they shall receive the financial bonus annually beginning the next fiscal year after completion.

Please be aware that in order to retain their basic and Track II levels of certification, they must annually receive recertification through attending the annual Recertification Course or through attendance of an approved International Association of Assessing Officers (IAAO) course or approved Mississippi Chapter of the IAAO workshop.

Dear Rocky Kennedy:

On behalf of the Advisory Board of the MS Tax Collector Education and Certification Program, the Center for Government and Community Development is providing notification of your office's certification status within the legislatively-mandated Mississippi Tax Collector Education and Certification Program. A list of participants and their current certification status is contained within this document.

As provided in Section 27-1-51 of the Mississippi Code, participants may now qualify for an annual increase:

(6)(a) When any tax collector or deputy tax collector holds a valid certificate of educational recognition from the Education and Certification Board as established by Section 27-1-67 by attaining certification as a Collector of Revenue I (CR1), he shall receive an additional Two Thousand Dollars (\$2,000.00) annually beginning the next fiscal year after completion.

(6)(b) When any tax collector or deputy tax collector holds a valid certificate of educational recognition from the Education and Certification Board as established by Section 27-1-67 by attaining certification as a Collector of Revenue II (CR 2), he shall receive an additional Two Thousand Dollars (\$ 2,000.00) annually beginning the next fiscal year after completion.

(6)(c) When any tax collector or deputy tax collector holds a valid certificate of educational recognition from the Education and Certification Board as established by Section 27-1-67 by attaining certification as a Mississippi Collector of Revenue (MCR), he shall receive an additional Two Thousand Five Hundred Dollars (\$ 2,500.00) annually beginning the next fiscal year after completion.

7. Approve and execute engineering agreement for Lafayette County Bridge Replacement project LCBR 36(01) for bridge number 436 on CR 144. (Larry Britt)

**AGREEMENT
FOR
ENGINEERING SERVICES
FOR
PROJECT NO. LCBR-36(01)
IN
LAFAYETTE COUNTY, MISSISSIPPI**

THIS AGREEMENT, entered into this the ____ day of _____, 2026, by and between the BOARD OF SUPERVISORS OF LAFAYETTE COUNTY, MISSISSIPPI, hereinafter called the "OWNER" and ELLIOTT & BRITT ENGINEERING, P.A., herein after called the "ENGINEER".

WITNESSETH THAT:

WHEREAS, the OWNER intends to:

Replace Bridge Number 436 on County Road 144

The project is located in Lafayette County, Mississippi; and

WHEREAS, the OWNER desires to engage the ENGINEER to provide technical and professional services as described hereinafter:

NOW THEREFORE, the parties hereto mutually agree as follows:

1. Employment of Engineer:

The OWNER hereby agrees to employ the ENGINEER and the ENGINEER hereby agrees to perform the technical and professional services set forth hereinafter in connection with preparation of plans, specifications and contract documents for a Bridge Replacement.

2. Scope of Services:

The ENGINEER shall do, perform, and carry out in a satisfactory and proper manner such work as is required to complete the project in accordance with State Aid Road Specifications and with specific job tasks as follows:

Preliminary and Design Engineering:

- a. Meeting with OWNER'S officials as needed to report on progress, obstacles or other items as appropriate.

- b. Performing all necessary design work, calculations, drafting and related matters necessary to prepare detailed construction plans, specifications, contract documents and preliminary and final construction estimates.
- c. Soliciting the project for bids in various advertisement media; attending and assistance with the bid letting; tabulating bid proposals; analyzing bids; and making recommendations to the OWNER for awarding a construction contract(s).

Construction Engineering, Inspection and Testing:

- a. Assistance in award and execution of construction contract(s) including periodic on-site observations and construction contract closeout.
- b. Interpreting the intent of the plans and specifications to protect the OWNER against defects and deficiencies in construction on the part of the contractor(s). The ENGINEER shall not guarantee the performance by any contractor.
- c. Providing construction stakes for all construction and providing periodic on-site observations of the work of the contractor(s) as construction progresses. The ENGINEER does not guarantee the performance of the contractor(s) by the ENGINEER'S performance of on-site observations. The ENGINEER's undertaking hereunder shall not relieve the contractor(s) of his obligation to perform the work in conformity with the plans and specifications and in a workmanlike manner, and furthermore shall not make the ENGINEER an insurer of the contractor's performance, and shall not impose upon the ENGINEER any obligation to see to it that the work is performed in a safe manner.
- d. Preparation and submission of monthly estimates to the OWNER for progress and final payments.
- e. Final inspection of all construction and submission of record drawings and full documentation and certification required by the OWNER.

3. Compensation for Engineering Services:

- a. The OWNER shall compensate the ENGINEER for Engineering services as follows on the portions of work described above.

ALL PRELIMINARY, CONSTRUCTION, TESTING AND INSPECTION
ENGINEERING SERVICES:

NOT TO EXCEED 10% OF CONSTRUCTION COST

4. Payment:

The ENGINEER shall submit monthly or periodic statements to the OWNER requesting payment. Such requests shall be based upon the amount and value of work and services performed by the ENGINEER and shall be accompanied by supporting data as required by the OWNER.

5. Equal Employment Opportunity:

The ENGINEER will not discriminate against any employee or applicant for employment because of race, religion, sex, color or national origin. The ENGINEER will take affirmative action to ensure that applicants are employed, without regard to their race, religion, sex, color or national origin. The ENGINEER shall keep such records and submit such reports concerning the racial and ethnic origin of applicants for employment and employees as the OWNER may require.

6. Interest of Engineer:

The ENGINEER covenants that he presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement. The ENGINEER further covenants that in the performance of this Agreement, no person having such interest shall be employed.

7. Findings Confidential:

Any reports, information, data, etc., given to or prepared or assembled by the ENGINEER under this Agreement which the OWNER requests to be kept confidential shall not be made available to any individual or organization by the ENGINEER without prior written approval of the OWNER.

8. Termination for Breach:

In the event of breach of any condition or provision hereof, the OWNER or the Engineer shall have the right, by prior written notice, to terminate this Agreement. The OWNER shall without prejudice to any other rights or remedies, have the right to have the work called for hereby otherwise performed. The OWNER shall have the benefit of such work as may have been completed up to the time of such termination or cancellation, and with respect to any part which shall have been delivered to or accepted by the OWNER there shall be an equitable adjustment of compensation. In addition, an equitable adjustment shall be made as compensation for any amount of work or services performed by the ENGINEER to the date of such termination or cancellation but not accepted by the OWNER. All remaining conditions of the original Agreement shall remain in force.

9. Cancellation:

Irrespective of any default hereunder, the OWNER may also at any time with proven justifiable cause terminate the ENGINEER's employment hereunder and cancel the contract, in whole or in part, and in such event, the ENGINEER shall be entitled to receive compensation as specified herein for all work completed and accepted prior to such termination or cancellation, and in addition an equitable adjustment shall be made, as compensation for any amount of work or services performed by the ENGINEER to the date of such termination or cancellation but not accepted by the OWNER.

10. Interest by Members of Municipality:

No member, officer, or employee of the OWNER during his tenure of office or for one year thereafter, shall have any interest, direct or indirect, in this contract or proceeds thereof.

IN WITNESS WHEREOF the OWNER and the ENGINEER have executed this Agreement as of the ____ day of _____, 2026.

- a. The OWNER shall compensate the ENGINEER for Engineering services as follows on the portions of work described above.

ALL PRELIMINARY, CONSTRUCTION, TESTING AND INSPECTION
ENGINEERING SERVICES:

NOT TO EXCEED 10% OF CONSTRUCTION COST

4. Payment:

The ENGINEER shall submit monthly or periodic statements to the OWNER requesting payment. Such requests shall be based upon the amount and value of work and services performed by the ENGINEER and shall be accompanied by supporting data as required by the OWNER.

5. Equal Employment Opportunity:

The ENGINEER will not discriminate against any employee or applicant for employment because of race, religion, sex, color or national origin. The ENGINEER will take affirmative action to ensure that applicants are employed, without regard to their race, religion, sex, color or national origin. The ENGINEER shall keep such records and submit such reports concerning the racial and ethnic origin of applicants for employment and employees as the OWNER may require.

6. Interest of Engineer:

The ENGINEER covenants that he presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement. The ENGINEER further covenants that in the performance of this Agreement, no person having such interest shall be employed.

7. Findings Confidential:

Any reports, information, data, etc., given to or prepared or assembled by the ENGINEER under this Agreement which the OWNER requests to be kept confidential shall not be made available to any individual or organization by the ENGINEER without prior written approval of the OWNER.

8. Termination for Breach:

In the event of breach of any condition or provision hereof, the OWNER or the Engineer shall have the right, by prior written notice, to terminate this Agreement. The OWNER shall without prejudice to any other rights or remedies, have the right to have the work called for hereby otherwise performed. The OWNER shall have the benefit of such work as may have been completed up to the time of such termination or cancellation, and with respect to any part which shall have been delivered to or accepted by the OWNER there shall be an equitable adjustment of compensation. In addition, an equitable adjustment shall be made as compensation for any amount of work or services performed by the ENGINEER to the date of such termination or cancellation but not accepted by the OWNER. All remaining conditions of the original Agreement shall remain in force.

9. Cancellation:

Irrespective of any default hereunder, the OWNER may also at any time with proven justifiable cause terminate the ENGINEER's employment hereunder and cancel the contract, in whole or in part, and in such event, the ENGINEER shall be entitled to receive compensation as specified herein for all work completed and accepted prior to such termination or cancellation, and in addition an equitable adjustment shall be made, as compensation for any amount of work or services performed by the ENGINEER to the date of such termination or cancellation but not accepted by the OWNER.

10. Interest by Members of Municipality:

No member, officer, or employee of the OWNER during his tenure of office or for one year thereafter, shall have any interest, direct or indirect, in this contract or proceeds thereof.

IN WITNESS WHEREOF the OWNER and the ENGINEER have executed this Agreement as of the ____ day of _____, 2026.

Lafayette County

OFFICE OF STATE AID ROAD CONSTRUCTION

WHEREAS, (I), (We), Ste-Bil Grading Inc.
Contractor, of Waterford, Mississippi and
the Old Republic Surety Company of
Wisconsin, Surety, entered into a contract with the
Board of Supervisors of Lafayette County on the 20th day of May, 2024, for
the construction of the above designated project, and

WHEREAS, Typical sections on Sheets 2-C and 2-D of the Construction Plans for the widening of CR 166
show a total of 7 inches of asphalt in the areas to be widened, and

WHEREAS, Standard depth of the gutter portion of combination concrete curb and gutter is 6 inches, and

WHEREAS, instead of the Contractor "building up" a small section of crushed stone base 1 inch tall to pour
curb and gutter, it is proposed to increase the gutter depth of the curb and gutter by 1 inch, and

WHEREAS, this requires an increase in the amount of concrete material and no change in the labor to
install it, and

WHEREAS, the cost of an additional inch of concrete material per linear foot of combination concrete curb
and gutter is \$2.75, and

WHEREAS, IT IS AGREED that the following item at the unit price shall be added to the contract to
accomplish this work:

Pay Item No.	Item	Unit	Unit Price
S-609-D	Combination Concrete Curb and Gutter, Type 1 Mod. (7" Depth Gutter)	Lin. Foot	\$28.00

This agreement in no way modifies or changes the original contract of which it becomes a part, except as
specifically stated herein.

NOW, THEREFORE, (I), (We), Ste-Bil Grading, Inc.
Contractor, and the Old Republic Surety Company, Surety,
hereby agree to said Supplemental Agreement consisting of the above mentioned items and prices and
agree that this Supplemental Agreement is hereby made a part of the original contract to be performed
under the specifications thereof, and that the original contract is in full force and effect except as it might
be modified by this Supplemental Agreement.

Highway 328, LLC – Final Plat Approval – Yocona Rise Subdivision

Consider the Planning Commission recommendation to approve the Highway 328, LLC Final Plat for the Yocona Rise Subdivision, Lafayette County parcel 189-29-002.04.

The Yocona Rise Subdivision Final Plat conforms with the requirements of the Lafayette County Land Development Standards and Regulations (LCLDSR) (Article III, Section 3 and Appendix 5, LCLDSR).

The Planning Commission reviewed the Final Plat during its July 27, 2026 regularly scheduled meeting and recommended unanimous approval of accepting the Final Plat as submitted.

Planning Staff recommends approval of the Final Plat.

(Tristan Riddell)

Wesball Properties, LLC – Conditional Use Permit

Consider the Planning Commission recommendation to deny the Wesball Properties, LLC conditional use permit request to develop a single-family residential subdivision, Yocona Springs, in a Rural (A-1) District on Lafayette County parcels 185Y-21-017.00, 185Y-21-016.00, and 185Y-21-058.02.

The proposed development effects all four parcels mentioned but the actual lot development is primarily on 11.43 acres of parcel 185Y-21-016.01. This property is south of Yocona Ridge and Franklin Farms subdivisions and east of Cross Creek subdivision. It is designated as Rural (A-1) district. The conditional use would allow for the development of a single-family residential subdivision consisting of twenty-two lots ranging in size from .33-acres to .55-acres. Subdivisions are not an outright permitted use in an A-1 district but may be permitted as a conditional use.

According to Section 2105.01 of the Lafayette County Zoning Ordinance, the Board of Supervisors shall not grant a conditional use permit unless satisfactory provision and arrangement has been made concerning all of the following:

- A. Ingress and egress to property and proposed structures thereon with particular reference to vehicle and pedestrian safety and convenience, traffic flow and control, and access in case of fire or catastrophe.

There are some issues with ingress/egress to this property. The developer does not own the property that connects to Franklin Street in the Franklin Farms subdivision. His only access is via a 30' wide, 60' long Lafayette County right-of-way. Typical right-of-way is required to be 50' wide. If the subdivision is approved and right-of-way is dedicated to Lafayette County for the street, an existing structure owned by the developer will be too close to the right-of-way creating a setback violation. A variance from the adequate right-of-way standard would be required.

As proposed on the preliminary plat the access road exceeds cul-de-sac length limits. According to the Lafayette County Land Development Standards and Regulations cul-de-sac length shall not exceed 1,200 feet. As proposed a variance from the cul-de-sac length standard would be required.

- B. Off-street parking and loading areas.

Each proposed unit would have ample off-street parking.

- C. Refuse and service areas.

Trash collection would be door to door.

D. Utilities, with reference to locations, availability, and compatibility.

City of Oxford water and sewer service is available.

E. Screening and buffering with reference to type, dimensions, and character.

With a density most similar to that of an R-1 clustered residential development, no buffer or screen would be required where the subject property abuts an R-1 district along the western property line but a 20' buffer and a 6' screen would be required where the property abuts an A-1 district along the south and east property boundaries.

F. Required yards and other open space.

The conceptual plat meets the yard and open space requirements.

G. General compatibility with adjacent properties and other properties in the district.

Being close to densely populated developments such as Yocona Ridge, Franklin Farms and Cross Creek, a quick observance could lead one to believe there are no compatibility issues. However, Because this property is in a flood zone and just north of the City of Oxford wastewater treatment facility, the Planning staff believes it was the intent of the A-1 designation that the property should not be considered for dense residential development.

H. Any other provisions deemed applicable by the Board of Supervisors.

The Planning Commission recommended denial of the conditional use permit request to allow the subdivision citing concerns with the need to request variances for both right-of-way width and cul-de-sac length. Approval of the conditional use would not alleviate the requirement of the proponent to either comply with the Lafayette County Design Standards and Regulations or obtain approval of variance requests.

The project proponent has provided additional information showing that they have an agreement in place to obtain an additional 10-foot of ROW, for a total of 40 feet, at the projects entrance, however this would still necessitate the need for a variance from the Land Development Regulations and Standards. Additionally, a spur cul-de-sac extending off the original planned internal cul-de-sac has been proposed. Staff feels that this does not meet the intent of the cul-de-sac design standard limiting length to 1200 feet, and a variance would still be required.

Planning Staff supports the recommendation to deny the conditional use request.

Yocona Springs Subdivision

Conditional Use Variance

Wesball Properties, LLC plans to develop a 22 lot residential subdivision. The current zoning for the property is A-1 Rural. According to Article V: Rural District (A-1) Section 502 – Conditional Uses and Structures as Provided in 2105 B: Single Family Residential Subdivision is required to request a Conditional Use Permit.

The property is joined to the north by two (2) Residential Subdivisions; Yocona Ridge and Franklin Farms. The subject subdivision will consist of 22 residential lots on 11.43 acres. This is 1.92 units per gross acre. The regulations allow for a maximum density of 2.6 units per gross acre.

Dimensional Use Variance

Wesball Properties, LLC respectfully requests a variance to the minimum ROW width from 50' to 30' along the first 400'. The total width of 50' is achieved along all proposed lots. The entrance off of Franklin Drive has an established ROW of 30'

Re: Conditional Use Narrative
Yocona Springs Subdivision
Lafayette County, Mississippi

Mr. Hollowell,

Wesball Properties LLC plans to develop a 22-lot residential subdivision. The current zoning for the property is A-1 Rural. According to Article V: Rural District (A-1) Section 502 – Conditional Uses and Structures as Provided in 2105 B: Single Family Residential Subdivision is required to request a Conditional Use Permit.

The property is joined to the north by two (2) Residential Subdivisions; Yocona Ridge and Franklin Farms. The subject subdivision will consist of 22 residential lots on 11.43 acres. This is 1.92 units per gross acre. The regulations allow for a maximum density of 2.6 units per gross acre. Wesball Properties is requesting a variance to the minimum ROW width from 50' to 30' along the first 254'. The total width of 50' is achieved along all proposed lots. The entrance off Franklin Drive has an established ROW of 30'. See attached exhibit.

According to the requirements for a Conditional Use Permit, we have established Ingress/Egress to all lots. The street section is designed with hot mix asphalt, concrete curb and gutter with a five-foot (5') sidewalk on both sides of the street ending with a cul-de-sac with a radius that will allow garbage trucks and fire trucks to easily turn around. Any off-street parking and loading areas will be taken care of on individual property owner driveways. All refuse will be collected on street by the Lafayette County Sanitation department. Water and Sewer will be provided by the City of Oxford. These facilities were designed to meet or exceed City and County requirements. The east property line is in the center of a drainage ditch. The adjacent property is A-1. This development will provide natural screening materials such as fast-growing evergreens spaced so as to provide screening from the adjoining A-1 property. The lots and homes to be built are compatible with the neighboring subdivisions.

Thank you,

Jeffery W. Williams, PE/PLS
